Commercial Single Stream Recycling Guide

Single-Stream recycling is a process in which materials are collected mixed together with no sorting required by you the recycler. This means cans and bottles can be recycled together with newspaper, junk mail, cardboard and many other recyclables. A complete list of the collected recyclables is listed below.

INSTRUCTIONS

- Comingle all acceptable recyclables in your recycling container (no sorting necessary)
- Please place your recycling container in its designated location on collection day
- Rinse food residue from containers
- All recyclables must be placed in the container
- Do not bag the recyclables
- If in doubt, throw it in your trash. Non-recyclables can ruin the whole load
